- Vehicle change

There is no penalty for changing vehicles. \*

If a team changes the vehicle during the current season, it will not receive championship points for the following race days.

\*Exception:

- If a new vehicle appears in the respective vehicle class on the part of iRacing, *there is the option to switch to this new vehicle for the following race. Later vehicle changes are no longer possible without penalty.* If 2 new cars appear at the same time only the 1st change is "penalty free".
- The team has not raced yet in the season.

~~Any change of vehicle must be reported 24 hours before the event.~~

*Each vehicle change must be reported by mail 3 days before the next event.*

*The vehicle livery must also be uploaded via the SRD portal 3 days before the next event.*

*Teams whose vehicle is removed from the championship can freely choose their new entry vehicle\*. The new vehicle has to be announced by mail 3 days before the next event.*

*The vehicle livery must also be uploaded via the SRD portal 3 days before the next event.*

*\*Only vehicles that are registered in the DGTm.*
